

## VOLUNTEER OPPORTUNITY La Colmena Spanish Drop-In Program Support

Frog Hollow Neighbourhood House is a community service organization serving the Hastings-Sunrise community. **We are looking for patient, caring and family-oriented individuals** to assist at La Colmena Spanish Drop-in Program staff to provide engaging activities for families with children aged 0- to 5-year-old in a safe, friendly and supportive environment while practicing your Spanish.

For over a decade, Frog hollow has been hosting weekly group sessions for Spanish speaking-families. Through free play, songs, rhymes, dance and stories in Spanish, many children have established their first social relationship and have experienced the culture of their Spanish-speaking families. Parents and caregivers have shared resources contributing to their sense of belonging and settlement as new commers to Canada through conversations, music, cups of coffee and laughter. The generous work of many volunteers has been essential to sustaining this joyful group over the years.

The Association of Neighbourhood Houses of BC (ANHBC)'s work is centered on inclusion and equity, to build social connection and to break down discrimination through community building. We strongly encourage applications from people who identify as Black, Indigenous, and People of Colour (BIPOC), individuals with disabilities, and members of the LGBTQIA2S+ communities.
